Dear Anthony, Christina, Sal and Betty.

Sadly, the sale of our Chipping Norton unit brings to an end of a wonderful twenty odd year relationship with Real Equity Estate Agents. The sale of our unit in a declining sellers market, reflected an attitude of professional tenacity and acumen, that your organisation and potential customers, can be assured, will result in exceedingly satisfying outcomes. Anthony Prestia and Christina Diamond continually displayed absolute customer focus and were always there, with attention to detail, prompt feedback and vendor support, which kept us abreast of the latest developments.
