What the owners love.

The key aspects the vendors have loved about living in this home over the years have been the comfort of raising their children in a family-friendly, leafy and whisper-quiet street being surrounded by lovely neighbours. They have loved the ample yard space both at the front and rear as well as the inground pool which is perfect for entertaining family and friends. If this ample space isn't enough there is a beautiful park, a hop, skip and a jump down the road with various play equipment for the kids. The convenience of being a 10-minute walk to Holsworthy Railway Station and Wattle Grove Shopping Village and only a 5-minute walk to Holsworthy Public School would have to make it one of the most idyllic locations in the area.
