What the Owner Loves:

?I absolutely love the way that the home is so open and filled with natural light, especially in the living areas which I feel creates a relaxing environment that is perfect for a family to enjoy, along with the ample space it provides both indoor and outdoor which is a great addition for entertaining guests. One thing that I do adore is the low maintenance garden which extends all the way through from the front yard to the backyard. It showcases such beautiful greenery and it is something that I personally love to attend to and care for.?
